Brain Products GmbH provides a general warranty of 6 months for used products that have been purchased from Brain Products GmbH.

Brain Products GmbH's only obligation under this warranty is limited to repair or replacement, at Brain Products GmbH option and election, of any warranted product (or part thereof) that Brain Products GmbH reasonably determines to be covered by this warranty and to be defective in workmanship or materials. Repair or replacement of products under this warranty does not extend the warranty period.

Warranty conditions for third party products

Brain Products GmbH is offering the same warranty period as the original manufacturer but shall assume a minimum warranty period of six months.

Process for claiming warranty

To request repair or replacement under this warranty, purchasers shall contact the local Brain Products GmbH authorized distributor from whom the product was purchased (refer to www.brainproducts.com for contact information).

Buyers from countries that are not covered by a Brain Products authorized distributor shall contact:

Brain Products GmbH
Zeppelinstrasse 7
82205 Gilching
Germany

If, on the basis of the information provided by the purchaser, Brain Products GmbH reasonably believes that the defect is covered by this warranty, Brain Products GmbH will authorize the purchaser to return the warranted product (or part thereof) to Brain Products GmbH or its authorized distribution partner. If the product is to be repaired rather than replaced, the warranted product will be repaired and returned to the purchaser. Brain Products GmbH shall determine whether to repair or replace products and parts covered by this warranty with either new or refurbished products or parts that meet current Brain Products GmbH specifications. All products or parts replaced shall become the property of Brain Products GmbH. In the course of warranty service, Brain Products GmbH may, but shall not be required to, make engineering improvements to the warranted product or part thereof.

Statutory warranty conditions

Statutory warranty conditions according to the German legislation apply.

Shipping Procedures

If Brain Products GmbH reasonably determines that a repair or replacement is covered by the warranty, and the equipment needs to be returned to Brain Products GmbH for repair or exchange the purchaser has to assure that the to be shipped equipment is suitably packed to prevent damage to the equipment.

Freight charges and insurance for shipment of equipment to Brain Products GmbH will be paid by Brain Products GmbH.

Freight charges and insurance from Brain Products GmbH to the customer will be paid by Brain Products GmbH. Method of shipment must be approved by Brain Products GmbH.
